

## THIRD PARTY DESIGNATION for CREDIT NOTICES

An occasion may arise when a customer is unable to respond to an important notice from Central Hudson about the status of their service or account. For such instances, we offer a voluntary program which will ensure that someone else – a willing “Third Party”– is informed of the situation. This program is especially helpful to the ill, the elderly, or someone absent from home, in preventing unnecessary disconnection of services.

A customer may choose a relative, friend, clergy person, community or social service agency to receive future Third Party Notifications, who will then help ensure that the customer is made aware of the situation.

The Third Party is in no way responsible for paying the bill or any part of it. **Your signature and the signature of the person or agency designated as your Third Party are both required.**
